

ASES 2025

Fellows' Day at SDSI

June 13, 2025 | San Diego, CA

Hotel del Coronado, Coronado, California | 2:00 PM – 7:00 PM

2:00 – 2:20 PM	Welcome and Introductions	Cabana Ballroom C
2:00 PM	Welcome and Dr. Hawkins Video	Joaquin Sanchez-Sotelo, M.D., Ph.D.
2:10 PM	Co-Chairs Welcome and Program Overview	Andrew J. Sheean, M.D., Eric R. Wagner, M.D., M.S.
2:15 PM	ASES Membership Categories and Advancement	Joaquin Sanchez-Sotelo, M.D., Ph.D.
2:20 – 3:00 PM	Education Session I – Rotator Cuff	Cabana Ballroom C
	Moderators: Pascal Boileau, M.D., Brian R. Waterman, M.D.	
2:20 PM	Patient Reported Outcomes at Six Months Predict Two Year Outcomes and Healthcare Utilization Following Arthroscopic Rotator Cuff Repair	Adam McNulty, M.D.
2:25 PM	Effect of Glucagon-Like Peptide-1 Agonists on Outcomes and Complications Following Rotator Cuff Repair: A Matched Cohort Analysis	Nichole M. Perry, M.D.
2:30 PM	Timing of Corticosteroid Injection Within One Year Prior to Rotator Cuff Repair Does Not Impact Patient Outcomes	Amalie Nash, M.D.
2:35 PM	Discussion/Q&A	
2:45 PM	Technical Pearl/Video Presentation	Brian R. Waterman, M.D.
2:50 PM	Pearls of Wisdom #1	Larry D. Field, M.D.
3:00 – 3:45 PM	Education Session II – Shoulder Arthroplasty	Cabana Ballroom C
	Moderators: Robert U. Hartzler, M.D., Melissa A. Wright, M.D.	
3:00 PM	The Effect of Humeral Revision on Minimum One-Year Clinical and Patient Reported Outcomes in Patients Undergoing Aseptic Revision to Reverse Total Shoulder Arthroplasty	Jeffrey C. Lynch, DO
3:05 PM	The Humeral Bone Loss (HUMBL) classification identifies patterns of bone loss that are associated with higher rates of reoperation, instability, and humeral loosening in primary and revision shoulder arthroplasty	Micah J. Nieboer, MD
3:10 PM	The Effect of Technological Innovations in Reverse Total Shoulder Arthroplasty on the Rate of Periprosthetic Acromion and Scapular Spine Fractures	Todd (TJ) W. Phillips, MD
3:15 PM	The Importance of External Rotation Following Reverse Total Shoulder Arthroplasty is Dependent Upon Arm Position	Sai K. Devana, MD
3:20 PM	Discussion/Q&A	
3:30 PM	Technical Pearl/Video Presentation	Stephen A. Parada, M.D.
3:35 PM	Pearls of Wisdom #2	Joaquin Sanchez-Sotelo, M.D., Ph.D.

3:45 – 4:15 PM	Symposium 1 – How to Approach Your First 3 Years in Practice Moderator: Surena Namdari, M.D., M.Sc Panelists: Julie Y. Bishop, M.D., Peter N. Chalmers, M.D., Grant E. Garrigues, M.D.	Cabana Ballroom C
4:15 – 4:50 PM	Small Group Discussions Faculty: Jonathan D. Barlow, M.D., M.S., Peter N. Chalmers, M.D., Andrew J. Sheean, M.D., Eric R. Wagner, M.D., M.S., Brian R. Waterman, M.D.	Point Loma & Imperial
4:50 – 5:10 PM	BREAK	Cabana Ballroom A/B
5:10 – 5:40 PM	Symposium 2 – The Tough Stuff Moderator: Oke A. Anakwenze, M.D., M.B.A. Panelists: Michael H. Amini, M.D., Jonathan D. Barlow, M.D., M.S., Armodios M. Hatzidakis, M.D.	Cabana Ballroom C
5:40 – 6:10 PM	Education Session III – Miscellaneous Elbow & Shoulder Moderators: Julia Lee, M.D., Matthew T. Provencher, M.D., M.B.A.	Cabana Ballroom C
	6:10 PM Strut Allograft Augmentation Restores Bone Stock in Revision Elbow Arthroplasty, but is not Universally Successful in Preventing a Second Revision	Daniel Z. You, MD, MSc
	6:15 PM Measurement of Scapulohumeral Rhythm using a Dynamic Radiographic Technique: A Validation and Reliability Study	Joanne Zhou, MD
	6:20 PM Radiographic Predictors of Revision Surgery and Post- Operative Complications in Proximal Humerus Fractures Treated with 3rd Generation Intramedullary Nail	Hayden B. Schuette, DO
	6:25 PM Discussion/Q&A	
	6:35 PM Technical Pearl/Video Presentation	Pascal Boileau, M.D.
6:10 – 6:15 PM	Closing Remarks/Adjourn	Cabana Ballroom C
6:15 – 7:00 PM	Reception in the Fellows Lounge	Cabana Ballroom A/B

ASES FELLOWS' DAY at SDSI – POSTER PRESENTATIONS

The ASES Fellows' Day Co-Chairs have selected the following submitted abstracts as posters to be included at the San Diego Shoulder Institute's Annual Course.

Name	Title
Bejan Alvandi, MD	Lesser Tuberosity Perfusion after Ligation of the Anterior Humeral Circumflex Artery: Dual-Energy Computer Tomography Cadaveric Study
Michael D. Baird, MD	Shoulder Arthroplasty in Patients under 50 years of Age: Complications, Reoperations, and Revisions
Benjamin Catoe, MD	Collaborative Quality Improvement Reduces Regional Anesthesia Complications Following Shoulder Surgery
Michael E. Hachadorian, MD	Recovery of 3D component position in Reverse Shoulder Arthroplasty from Postoperative Radiographs via 2D/3D Registration
Tyler M. Hauer, MD, FRCSC	Arthroscopic Bankart Repair with Remplissage for "On-Track" Shoulders Has Similar Rates of Return to Play and Games Played Following Surgery Compared to Arthroscopic Bankart Alone
Claire E. Hays, MD	Influence of Positive Cultures after Aseptic Revision for Failed Shoulder Arthroplasty
Filip Holy, MD	Radiographic outcomes and complication rates of primary total shoulder arthroplasty using mixed-reality visualization versus pre-operative 3D planning software alone: a retrospective cohort study
Scott W. Huff, MD	Normalization of Humeral Force Generation Following Lower Trapezius Tendon Transfer
John M. Ibrahim, MD	An Aged-Stratified Outcome Comparison Following Reverse Total Shoulder Arthroplasty for Cuff Intact Arthritis versus Cuff Tear Arthropathy
Sally Jo, MD	Sleep Quality and Response after Rotator Cuff Repair, Total Shoulder Arthroplasty, and Reverse Shoulder Arthroplasty
Joung Heon (Richard) Kim, MD	Patient Outcomes after Revision of Failed Radial Head Arthroplasty
Kathleen A. Leinweber, MD, MA	Reverse Total Shoulder Arthroplasty Compares to Anatomic Total Shoulder Arthroplasty for Primary Glenohumeral Osteoarthritis at 2 and 5 Years: A Propensity Matched Cohort Analysis
Ankur S. Narain, MD	Outcomes of Revision Reverse Total Shoulder Arthroplasty after Failed Anatomic Total Shoulder Arthroplasty
Michael N. Sirignano, MD	Does the Best-Fit-Circle Technique Really Replicate Pre-arthritic Anatomy? A Study of Reliability and Correlation
Olawale A. Sogbein, MD, MSc	Standard versus the Alternative Center Line Techniques for Baseplate Fixation in Reverse Shoulder Arthroplasty: A Comparison of Anterior Shoulder Pain
