

ASES 2025  
*Annual Meeting*  
**Special Interest Groups**

**JSES: Authors, Reviewers and Editors**

Faculty: Frank Cordasco, MD, MS; Jed Kuhn, MD, MS; Bill Mallon, MD

Thursday, October 16<sup>th</sup>, 2025 | 10:10 am – 11:25 am

10:10 am                    JSES Family of Journals-Update on the Lineup

*Bill Mallon, MD; Frank Cordasco, MD, MS*

The Family of Journal Continues to Grow. In this session, we will describe the changes in the lineup, and describe the importance of indexing in different locations and Cite Scores, and Impact Factors, and the difference between open access and subscription journals

10:25 am                    How to be a TOP REVIEWER

*Bill Mallon, MD; Jed Kuhn, MD, MS*

In this session, we will tell you how to be a TOP REVIEWER for JSES so you too can get a special Ribbon to wear at the Annual Meeting!

10:50 am                    Increasing the Odds of Getting Your Research Published in JSES

*Jed Kuhn, MD, MS; Bill Mallon, MD*

JSES is on track to receive 2000 submissions for 2025, and with our page limits, we can only accept about 18% of the papers we receive. In this session, we will tell you the secrets to make your paper most likely to be accepted

11:15 am                    Questions and Answers
